READERS CHOICE AWARDS 2018

WELCOME

Nestled in the beautiful neighbourhood of Beverley, Lonehill, is Valbonne College. A new intimate primary school with French inspired architecture and landscaped gardens in a secure and quiet area.

The private school couples an excellent academic system along with cultural and extra-curricular activities to ensure that we raise a well-rounded generation of children, with the highest levels of confidence, self-assurance and independence.

ACADEMIC LIFE

The academic curriculum lies at the core of our vision. Valbonne College aims to cultivate the academic potential of learners so that they can succeed in all areas of their life.

We offer regular parent-teacher meetings, email and telephonic communication, assisted learning programmes and careful monitoring of skill levels and results across the board.

Furthermore, the small intimate school will ensure individual attention to promote academic excellence, creativity and confidence.

BEYOND THE CLASSROOM

All students at Valbonne College have access to an outstanding, exciting and engaging range of enrichment and extra-curricular activities. These are aimed at developing the learners' talents, introducing them to stimulating new opportunities and promoting important personal skills such as teamwork, initiative and resilience. Learners from Grade 1 are exposed to a variety of sporting activities.

AFTERCARE & HOLIDAY CARE

Valbonne College runs a small friendly club for children needing aftercare and holiday care. The staff are committed to providing a safe, happy and stimulating environment where the children are well looked after.

ADMISSIONS

We aim to keep class sizes small and intimate and therefore it is best to secure a space sooner rather than later. To secure a place for your child, parents are encouraged to start the application process immediately.

Prospective parents can visit the college, website (www.valbonnecollege.co.za) or contact leanne@valbonnecollege.co.za to collect all the necessary documentation for application.

When learners are ready to leave they will be confident in their own abilities, with skills to extend and apply their knowledge and the belief that learning is an enjoyable and rewarding experience.

Valbonne College is run by a team of highly committed teachers and support staff, working in partnership with governors and parents to provide the best possible education, laying down firm foundations for our learners' successful futures.

SIBLING DISCOUNT:

Please note that there will be a 5% discount for siblings.
